PRESIDENT'S MESSAGE

Athletics Australia can confidently declare that 2011 was a year of many successes, with athletes of all ages admirably and successfully showcasing their talents both on the world stage and at home here in Australia.

It included an outstanding National Athletics Series that included the Australian Athletics Tour and culminated with the 89th Australian Athletics Championships at Olympic Park in Melbourne, before Australians took on the world at the IPC Athletics World Championships, IAAF world youth championships and the IAAF world championships.

It was as the IAAF world championships in Daegu, South Korea, that we got to see the Australian Flame in action, most notably through the gold medal and Australian record winning performance of Sally Pearson.

Her thrilling gold medal at the 2011 IAAF world championships was the best track and field moment of the year and her continuing dominance on the international athletics stage was appropriately rewarded with the IAAF Female Athlete of the Year Award.

Long jump silver medallist Mitchell Watt and 50km walk bronze medallist Jared Tallent shared the dais with Pearson as Australian Flame medal winners at the world championships.

I also congratulate Richard Colman, who in resounding fashion won a gold medal in the exhibition T54 800m, and the four other Australian Flame athletes who recorded top-eight performances – Luke Adams, Benn Harradine, Kim Mickle and Jarrod Bannister.

I warmly acknowledge the invaluable support of the Australian Sports Commission and the Australian Government.

The healthy partnerships we have Asics, 2XU, state and territory governments as well as the Australian Olympic Committee, the Australian Paralympic Committee, the Australian Commonwealth Games Association, the Oceania Athletics Association, Athletics International and Little Athletics Australia are something we are very proud of and look forward to strengthening.

I thank our athletes, coaches, officials, their families and supporters for the continuing support of track and field in 2011 and look forward to celebrating many more milestones with you all in the years to come.

A collage of four images showing athletes in motion, likely runners, with a focus on their legs and feet. The images are arranged in a 2x2 grid, showing different stages of a running stride. The athletes are wearing various colored shorts and running shoes, and the background is a blurred track.

The Australian Sports Commission is the Australian Government agency that develops, supports and invests in sport at all levels in Australia. Athletics Australia has worked closely with the Australian Sports Commission to develop athletics from community participation to high-level performance.

Athletics Australia is one of many national sporting organisations that has formed a winning partnership with the Australian Sports Commission to develop its sport in Australia.
